## SEASIDE/T

caffè table - solid mahogany frame

tavolino - fusto in mogano

In pratica il concetto è quello di partire da una panca, con l'aggiunta di schienali fissati al fusto e cuscini, si ottengono dei daybed, delle lounge, dei divani, delle poltrone....ecc.

La struttura portante è realizzata in legno e, dopo l'aggiunta del materiale espanso, viene rivestita con i tessuti scelti; le parti in legno a vista ed il tavolino sono in mogano Sapelli massiccio; le flange di fissaggio degli schienali sono in acciaio inox AISI 316.

Il concetto è quello di creare delle aree conviviali alternative ai classici set di tavoli e sedie, dove c'è chi si rilassa disteso sul daybed, accanto a chi si gusta un drink chiacchierando con altri sul divano. Il Seaside è l'ideale per una composizione da destinare ad un portico o una pergola, e perché no alla lobby di un hotel.

Basically it's a bench that becomes a daybed by adding one back and one cushion which allows two positions thanks to its special shape; by adding another two backs and cushions it becomes a nice lounge sofa; same for the armchair, that becomes an armchair only with one backrest and may be a pouf; the small coffee

A rustic dining room with wooden tables and chairs, chandeliers, and stone walls. The room features several round wooden tables with matching chairs. The walls are made of stone and decorated with large wooden barrels and circular metal plates. Two ornate chandeliers hang from the ceiling, casting a warm glow. A window in the background lets in natural light. The floor is made of light-colored wood.
